Rene,

Well, what can I say, we've been through so much this past year. Its kind of hard writing it all down in words but I'm gonna try. I hope that this summer we can get back to being friends again. Don't ever forget all the incidents that happened to us since the summer, but then again. How could you?!!? The accidents, the trips to McDonald's, Casino & being left with no ride by a certain someone!! Those were some really crazy times huh?!! Oh - and how could we forget my great party with "Kung Fu"!! Look out for him this summer - he's so damn weird! What about "Chubby Checks"? & Keith at Mac's in the back seat - "The big gray lump!!"

I hope you don't ever forget these great times we had "last year's prom-night & the red Monte-Carlo" Wow - that was so funny. You + were up Mac's thinking of a lie to say & when we finally thought of one & told your dad he new we were lien. He still hates me & so does Mary Francis but maybe someday we can get to be friends again. Some day. Who knows. Keep In Touch this summer & don't ever forget about me cause I'll never forget you. I'll probably see you certain places this summer! & Just make we can go out too okay?!!? Good Luck & God Bless You Always - Wherever you are & whatever you do.

R.O.P.

Be Good this summer & no more decorations on the neck!!

Love Ya Forever.

Love
Judy

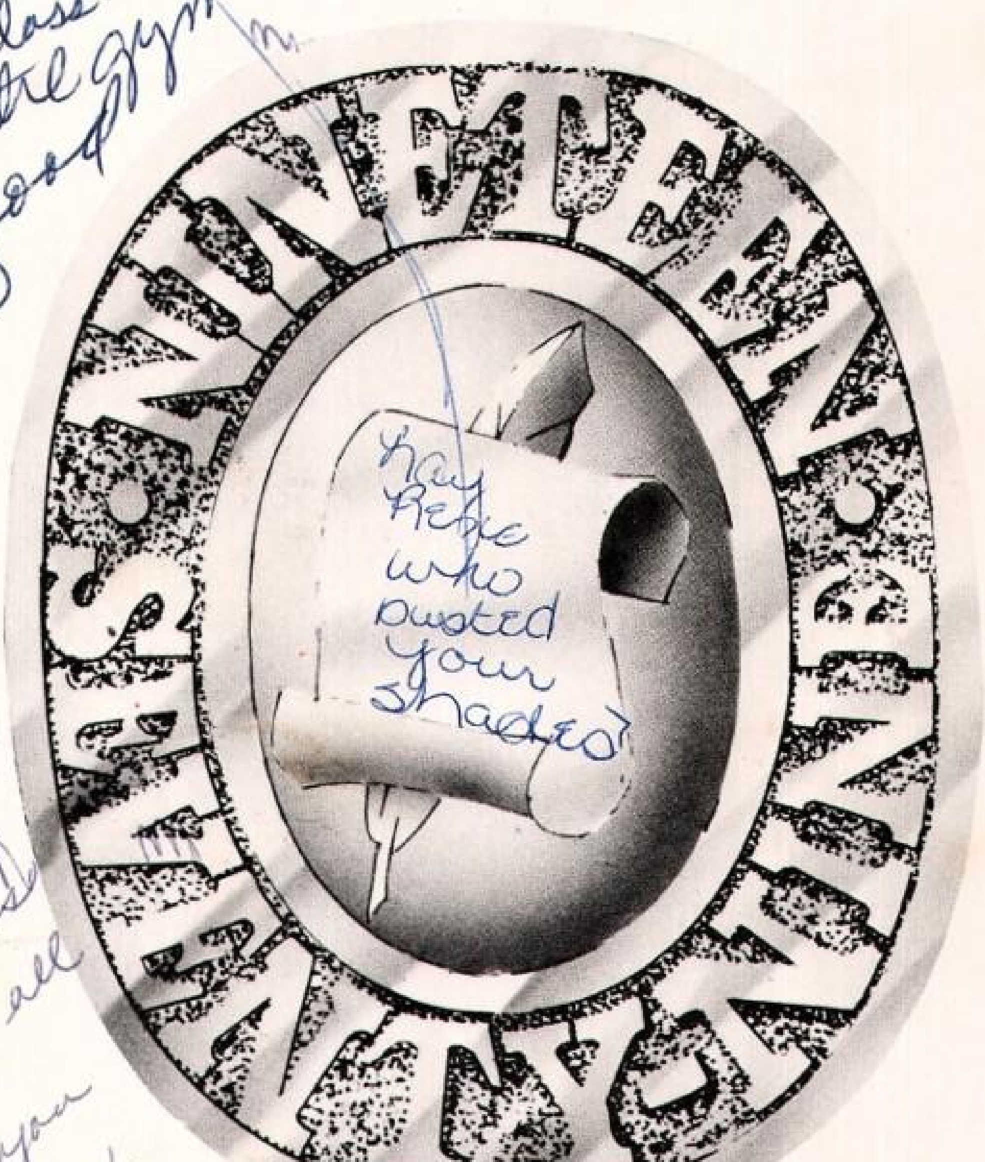
Rene, To a pretty crazy girl who's in my study hall. Remember all the good things I say to Miss Waldo. Have fun over the summer.

Gene Bianco 81

PS Sophmores are great!

Rene,
You are a really sweet and cute girl. We had some crazy times in Gym class huh? [illegible] class. Neither will the gym. Good luck always.
Sharon



Hey Renee who busted your shades?

Renee, I'm really glad we got to be friends this year. I knew you way back at Hickory and not until this year did I really get to know you. Don't forget all of our crazy gym classes especially with your admirers bothering us all of the time. Hope to see you this summer.
Love,
Lora

Rene,

Hey Babe! What can I say? Boy can you believe that it is almost over. I can still remember the first time we ever went out. WOW! What a Blast. Rene you know we'll always be friends no matter what. You and Debbie are the Best friends I have ever had. I know by anything ever happened you waned be right next to me to help. "Thanks".

Now to the good stuff. What about "Art". Ha Ha. What a laugh. Ernie could be a very nice guy if his just wasn't so critical.

Dont ever forget that stupid bar I erasers we used for mustache's and whatevers. That stuff really gave us some good laughs. Don't forget Home-ec. Yuk! She always gets on our cases. What about the time she called you out of the room and hollered at you. I never laughed so hard.

As for our romances for the year, Between Keith and Ronnie Squeeky I thought I was going to die. Keith was never made for you. As for Ronnie he is a hopeless case. We've gone through some rough times together But we always came out winning. Your a friend for life. And if you ever need me just call. ok. As for Squeeky. I really love him and always will And don't worry about Prom & me. (If you know what I mean!). So Be Good (If you can) & Good Luck.

P.S. "You owe Kelly a lady!"

Love, Julie

May this yearbook be worthy of Funky Winkerbean. Thank you, Tom Batiuk.

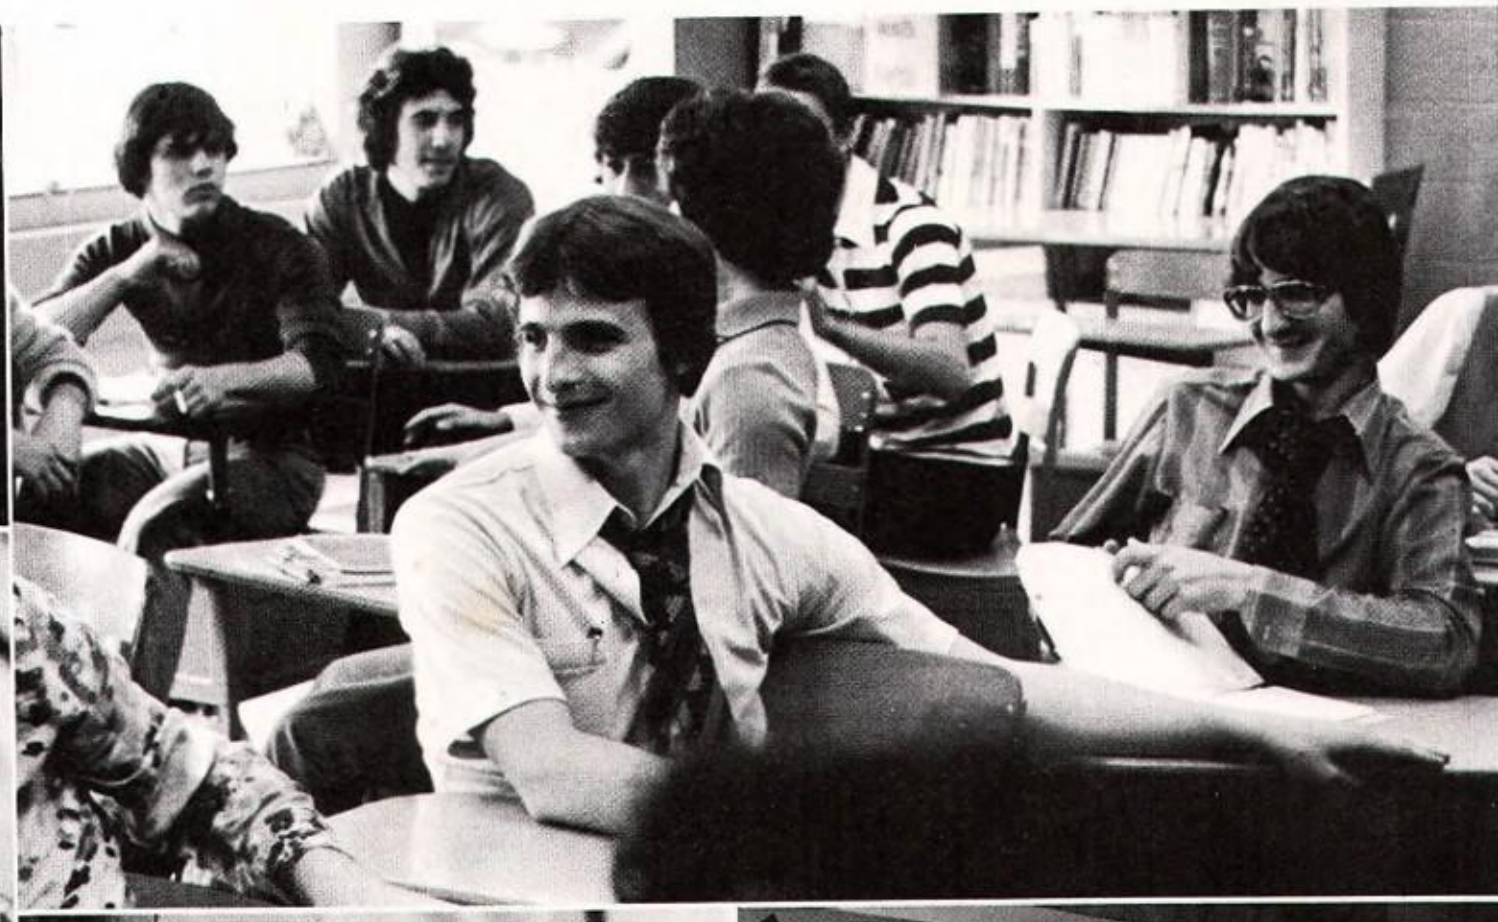
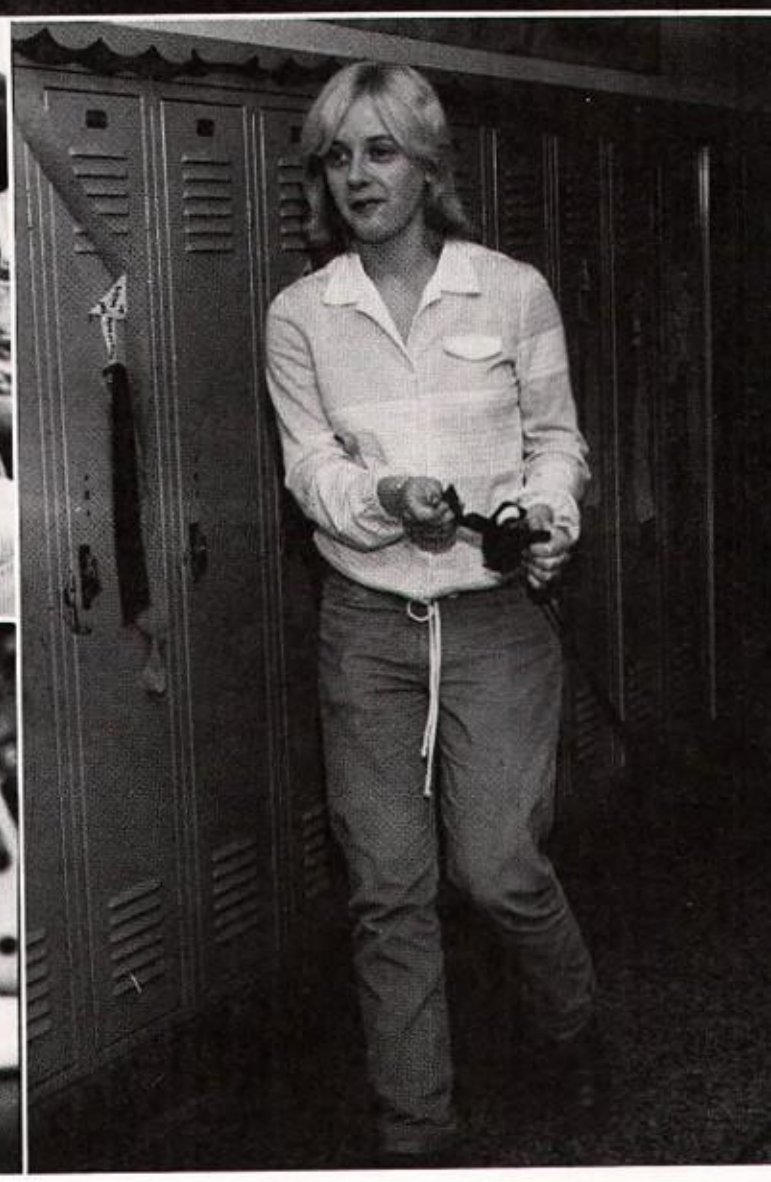
The essence of Funky has become a reality at Kennedy.

Like Crazy and Funky, every student of KC is a unique individual and yet each is a part of one community — Kennedy Christian High School.

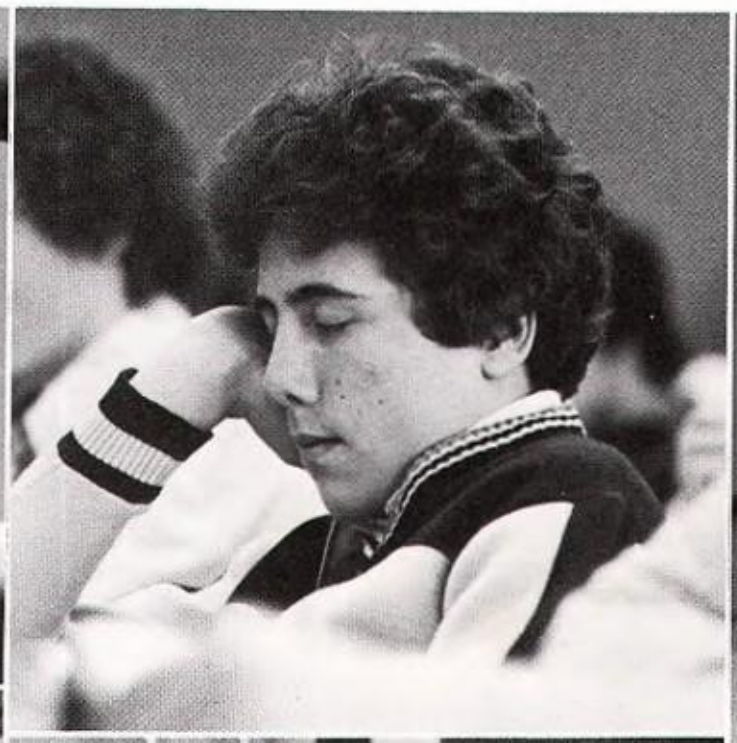


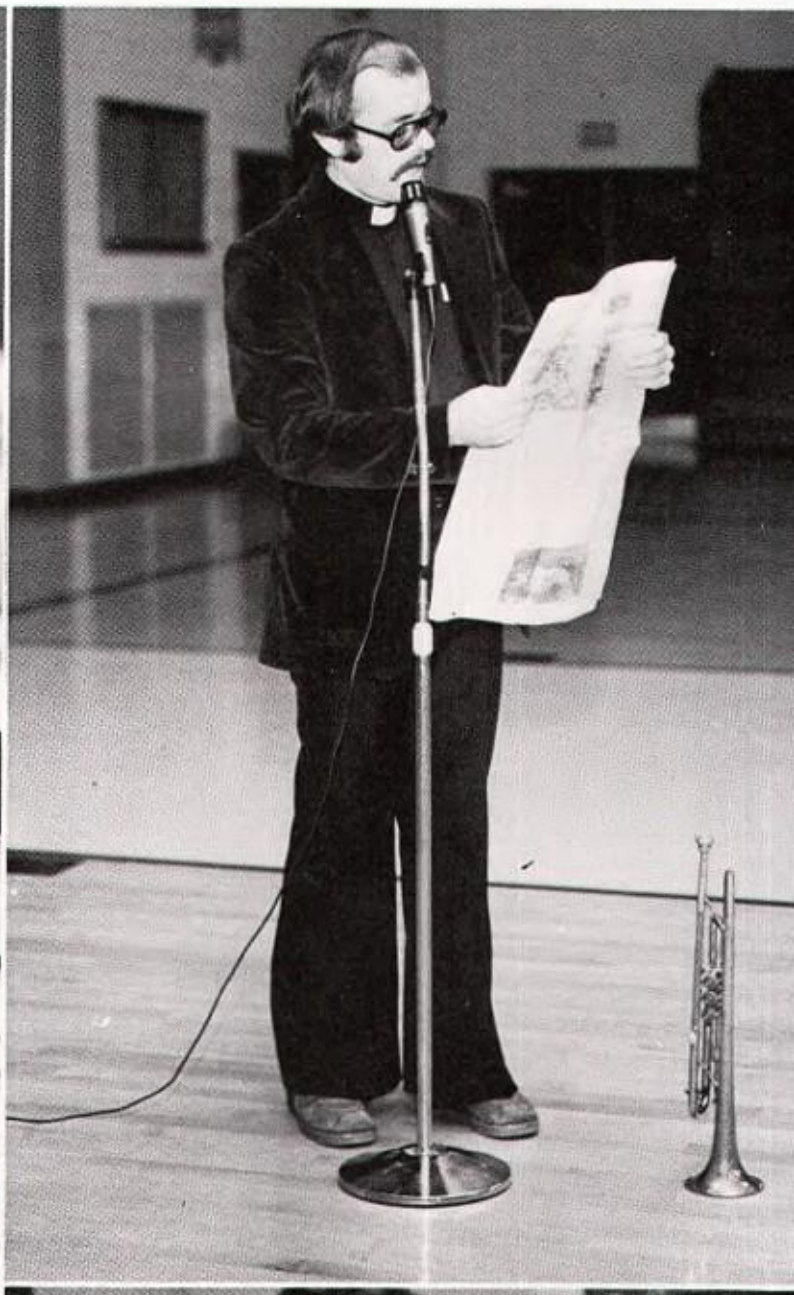


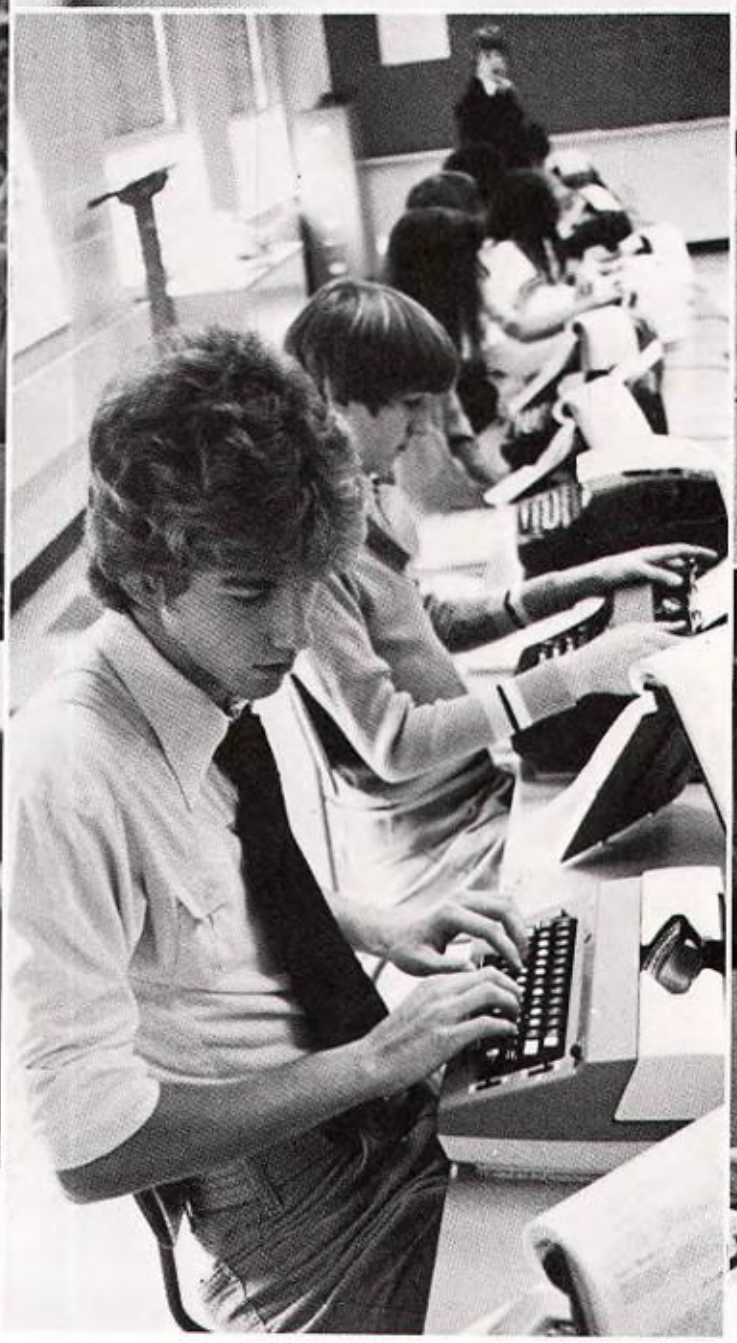
4 really →

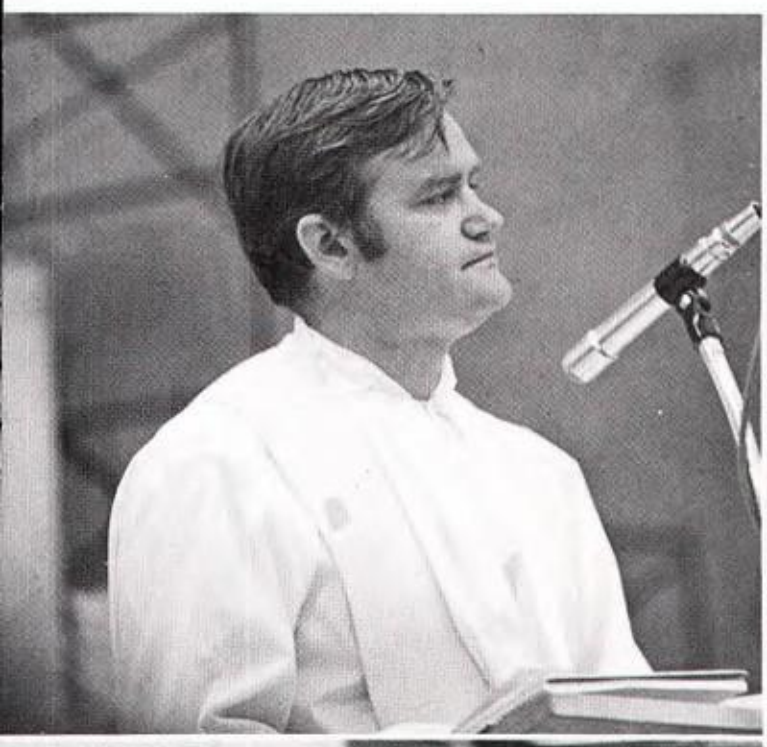
The victories, defeats, successes, and failures throughout the year have brought all the students of KC closer together.

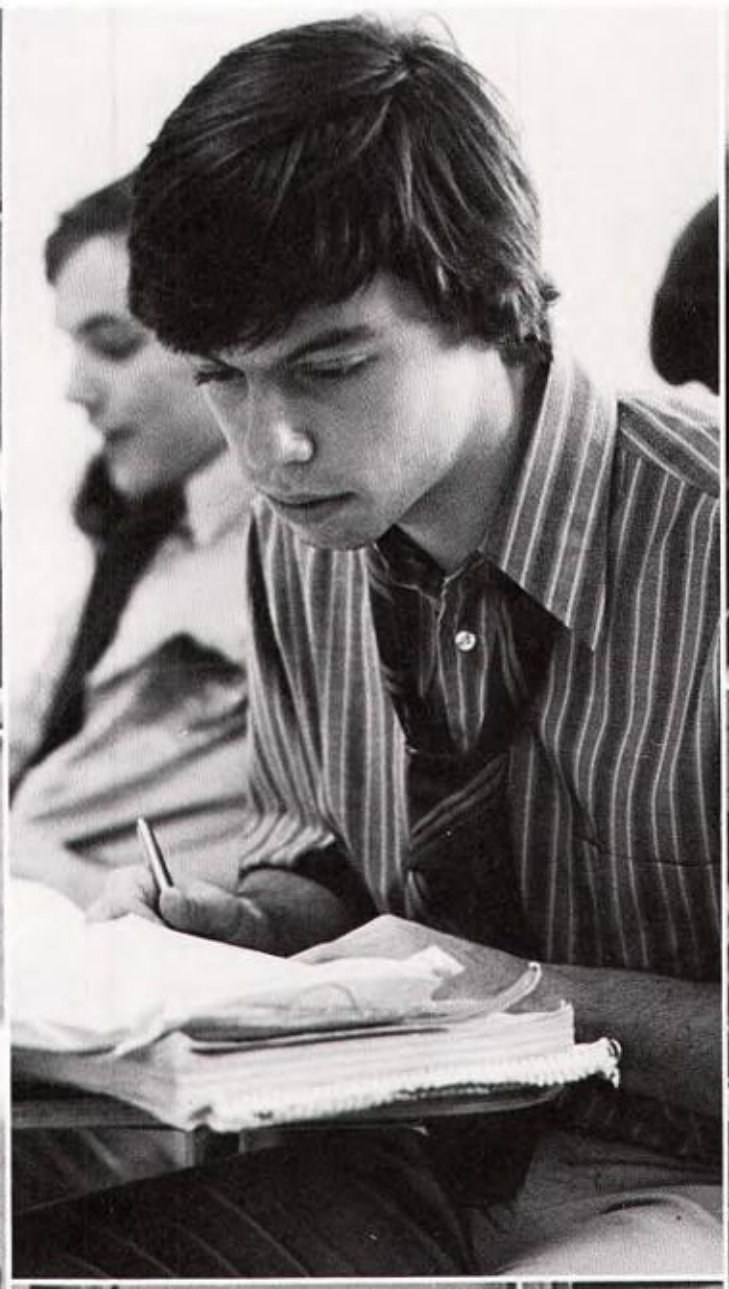
Funky has taught us to strive to reach our ultimate goals and in doing so we've learned from our mistakes.

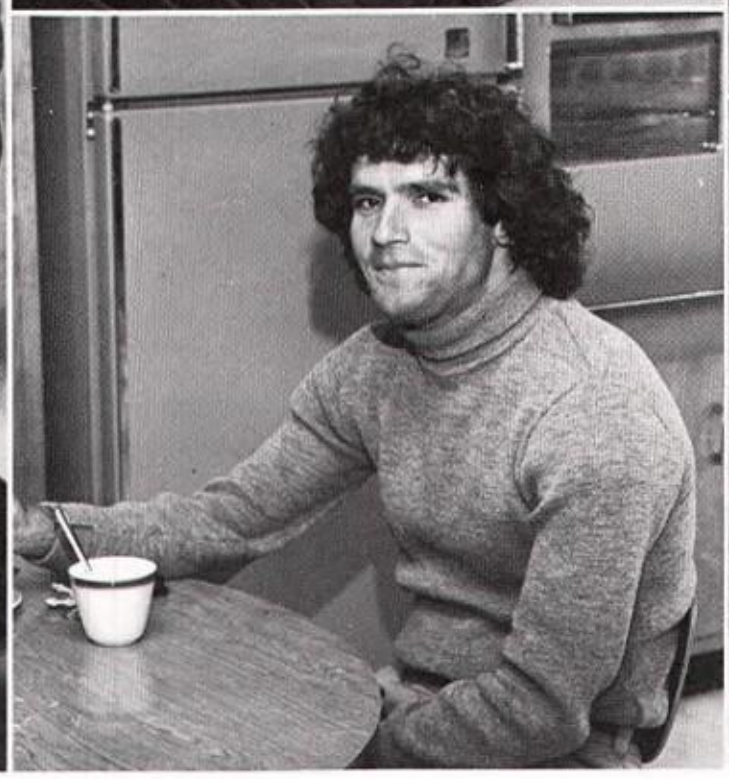












When each student leaves Kennedy they take a special part of it with them.

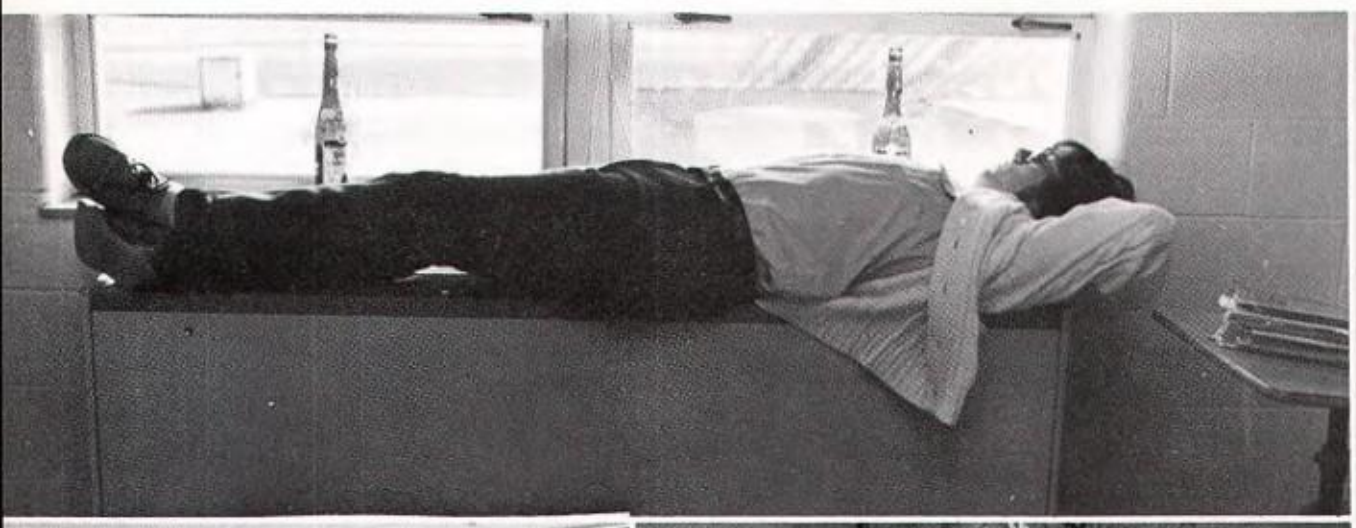
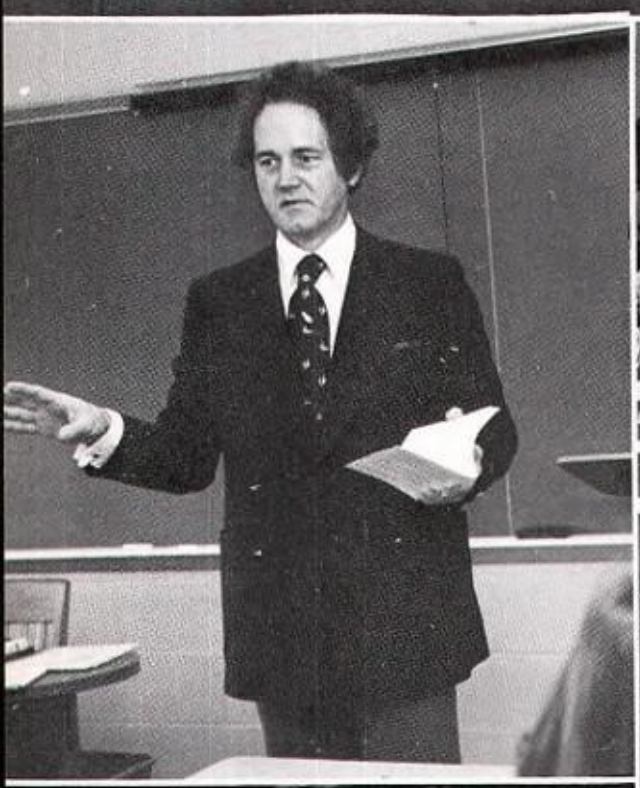
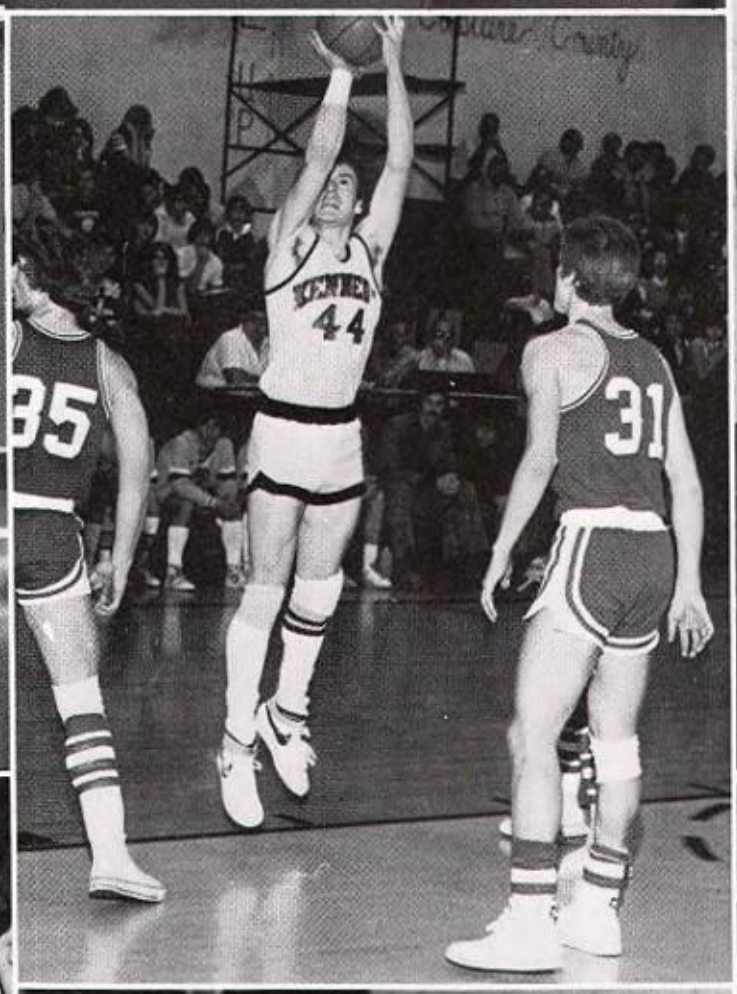
In this volume of the Aquila we will attempt to capture the numerous aspects of KC through the eyes of Funky Winkerbean.







SENIORS

Renee,

To the crazy lady I unfortunately met my sophomore year. (Joking) Have fun this summer partying. Don't forget to go crazy this summer, and go crazy in next year. Welcome to the crazy house.

Party Hearty,

Tom Boyle

Leaving an institution that has become an integral part of your life is a very difficult and sad thing to do. So it is with the 1979 graduates of Kennedy Christian High School.

Our pride in KC has grown to new heights throughout the four years we've spent here. We have learned how to be proud of who we are and what we are.

Love and friendship characterize our relationships together. We have helped each other in achieving our ultimate goals in life. Now we must go our own ways.

Father,
We entrust our brother and sister to your mercy,
You loved them greatly in this life;
now that they are freed from all its cares,
give them happiness and peace forever.
The old order has passed away:
welcome them now into paradise
where there will be no more sorrow,
no more weeping or pain,
but only peace and joy
with Jesus, your Son,
and the Holy Spirit for ever and ever.

ACTIVITIES

Renee,
Well my high school days are almost over and I thought they would never come. I really are glad I got to know you. You made my day in Home Ec. Class. I want you to make your Senior year your best year you ever had. Cause trouble but not to much trouble. Good luck in everything you do. Keep in touch

The various activities at Kennedy give many students an opportunity to express their talents. Activities also enable students to meet many new people and to develop a sense of responsibility. But most of all, activities serve to give the students of KC a feeling of belonging.

Take it EASY...
But take it!!!

See ya

UNDERCLASSMEN

The underclassmen of Kennedy Christian are well on their way to becoming tomorrow's leaders. Each class is unique and special in its own way. The freshmen have displayed great comradeship throughout the year. The sophomores are characterized best by their exceptional rowdiness. And the juniors are known for their unity. The "melting pot" of underclassmen combines all of their qualities, abilities, and talents.

SPORTS

Renee,

Jim really glad I got to know you better this year. Never forget all the "fun" times we had -- especially with Mary driving us over to the home to visit those senile old ladies. Can you believe that we're almost seniors? One more year in this place. I can't wait. Have yourself a super summer but don't do anything I wouldn't do. (That leaves you a lot of room to do.

Take care + stay out of trouble.

Love ya,
Tracy
